Your social security rights in the EU, EEA and Switzerland

The European Commission, in cooperation with the institutions of the Member States, has prepared an overview of social security systems in the individual states of the EU, the EEA and Switzerland.

This overview is produced in the form of brochures '[Your rights in individual countries](#)', which are published on the European Commission's website in three languages, EN/DE/FR and provide very detailed information on the social security systems in each country.

If you are looking for a specific social security institution of a given Member State, click on the following [public database of institutions](#).
